

C31M Workabout Pro Camera

APPLICATIONS

- PARKING ENFORCEMENT
- RETAIL
- FIELD SERVICE
- INDUSTRIAL IMAGE CAPTURE
- APPLICATIONS WHERE IMAGE QUALITY IS CRITICAL

The Blackroc C31M is a 3 megapixel high resolution digital camera fully integrated with the Workabout Pro handheld computer. Supplied as a new endcap with new X-Mod internal camera controller board.

The camera has a manually adjustable focus, to enable the capture of pin sharp images in both the near and far field.

The C31M also has high power LED flash illumination.

The stylish C31M provides full preview mode of the camera subject in real time on the screen of the Workabout Pro.

Images can be stored in JPEG format for optimum use of memory.

The C31M can be used with other devices located in the Workabout Pro CF slot, and can also be used with the Pro 60 Blackroc printer.

Designed for use in any application where high quality colour images are required, the C31M addresses a wide range of vertical markets.
